

# SMART INDIA HACKATHON

## Basic Details Of The Team And Problem Statement

PS Code:SIHP021

Problem Statement Title:Smart Education

Team Name:T21

Team Leader Name:K.Vangmayi

Institute Code:JBIT

# IDEA OR APPROACH DETAILS

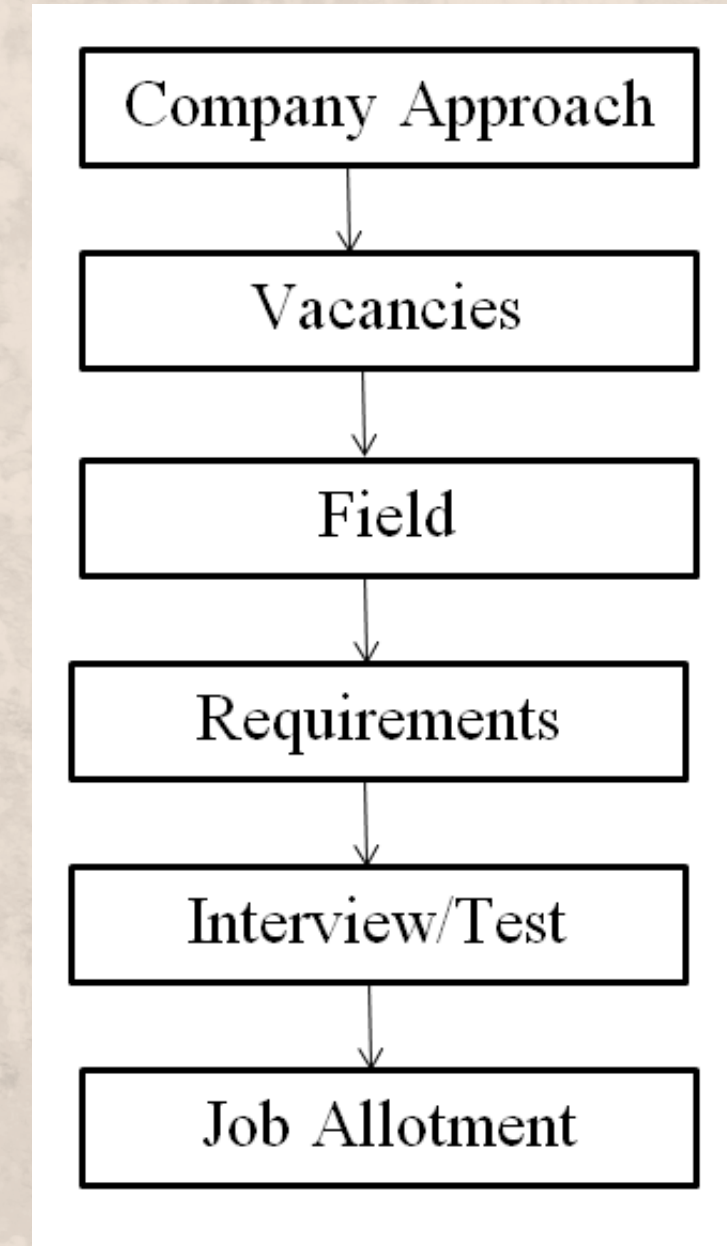

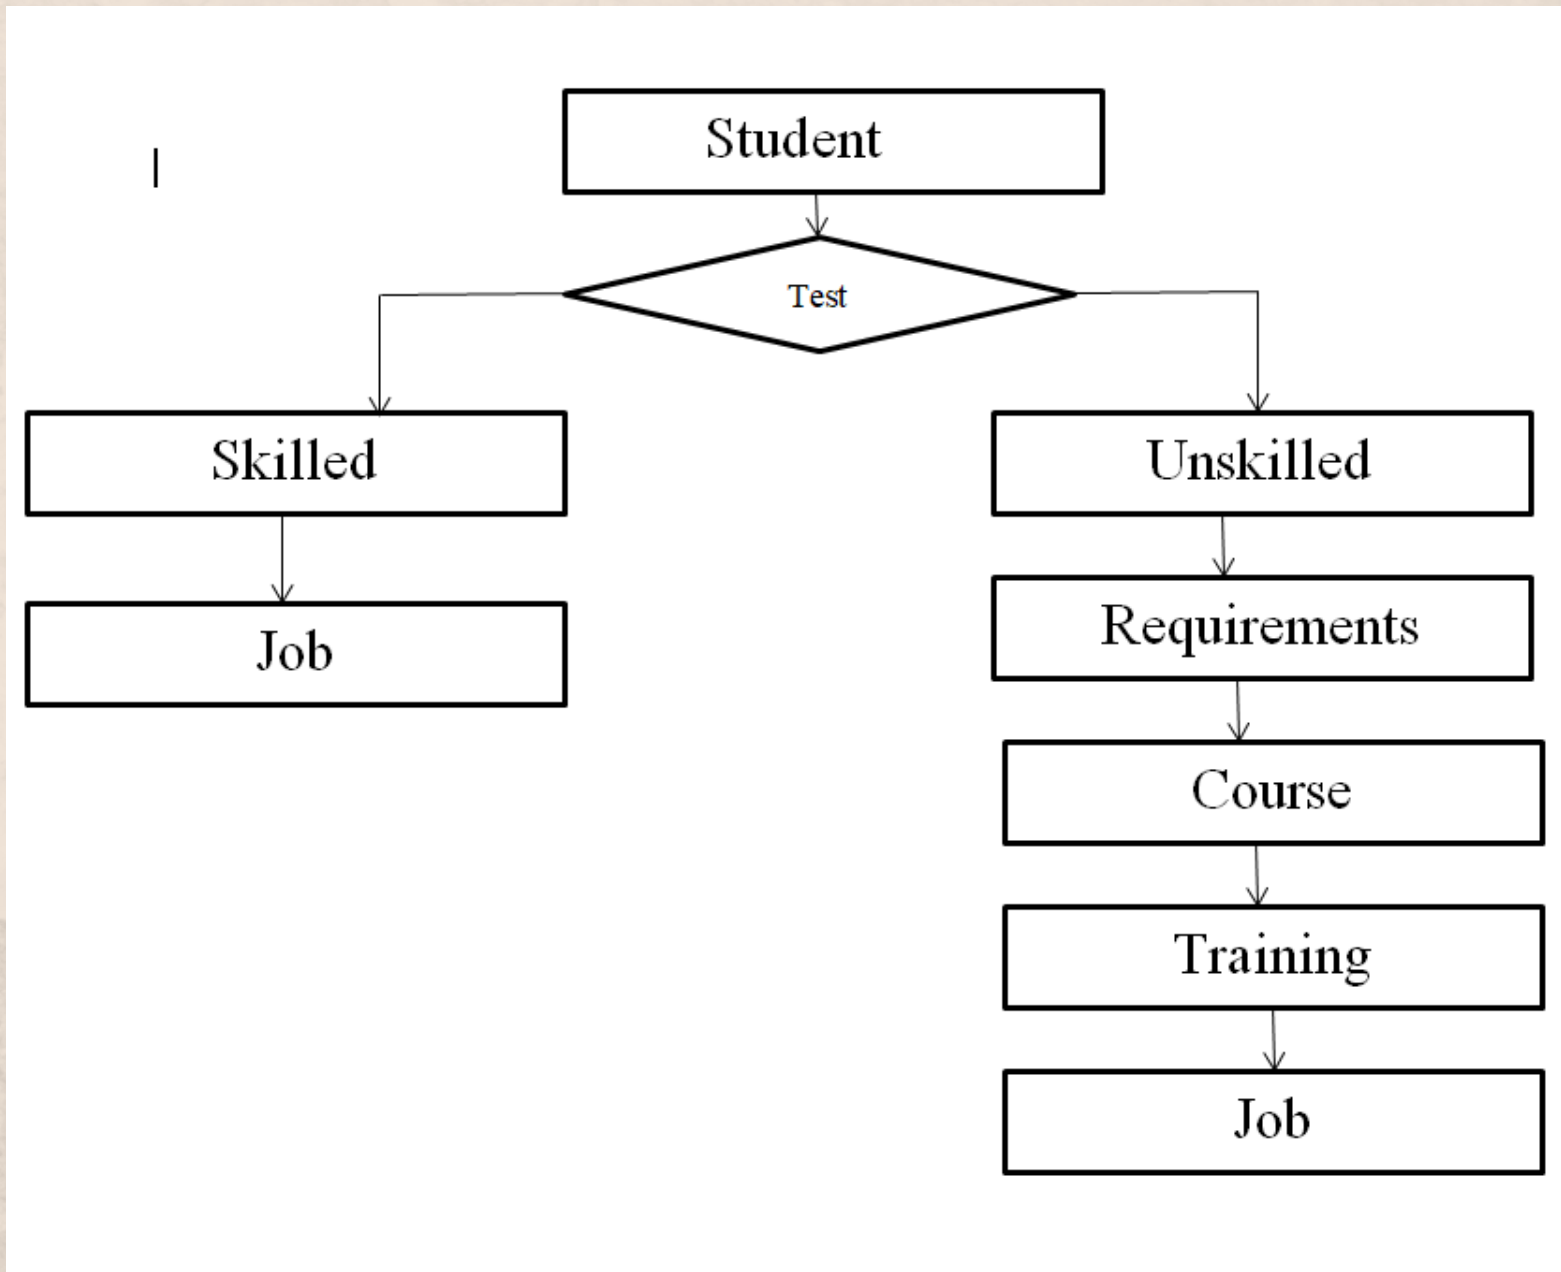

=> Every student aspires to become a great person and self reliant ,but their passion and likings are diverse. In order to cater to the aspirations of the students they are required to be informed about the number and types of jobs in this country as also the number of workforce in all areas .

=> To become the best and excel in life rather than make umpteen number of mistakes of wrong selection of course of education or career and repent later and go on trying different things losing his precious time/life.

=> To reduce making mistakes in career, we are designing a web portal based on the students qualification by interacting with the company according to their requirements. 

# FLOWCHART
